• Reports Page

The screenshot shows the 'Farmer Ledgers' page of the Smart Dairy System. The page has a navigation bar with buttons for 'Owner Dashboard', 'Add Farmer', 'Milk Entry', 'Payment Entry', 'Farmer List', and 'Ledger'. The 'Ledger' button is active. Below the navigation bar, there's a section titled 'Farmer Ledgers' with a subtitle 'Milk supplied, earnings, payments, and pending balances.' A filter section allows selecting a farmer from a dropdown (currently 'All farmers'), and date ranges for 'From' and 'To' (both 'dd-mm-yyyy'). A 'Filter' button is present. The main content area displays a grid of farmer ledger cards. Each card shows the farmer's name, a balance (e.g., 'Rs. -360.00'), total milk supplied, and earned/paid amounts.

Farmer	Balance	Total Milk (L)	Earned (Rs.)	Paid (Rs.)
vikas	Rs. -360.00	15.00	140.00	500.00
lalit	Rs. -270.00	7.00	0.00	270.00
tarun	Rs. 554.00	63.00	2254.00	1700.00
tarun mishra	Rs. 1800.00	52.00	1820.00	20.00
mahesh	Rs. -50.00	10.00	350.00	400.00
Jagdish	Rs. 50.00	15.00		

• Farmer Login Page

The screenshot shows the 'Farmer Login' page of the Smart Dairy System. The page features a background image of a dairy farm with cows and various dairy products like milk, cheese, and butter. A central login form is overlaid on the image. The form has a title 'Login' and three input fields: 'Role' (with 'Farmer' selected), 'Mobile' (with '9988779876' entered), and 'Password' (with '****' entered). A blue 'Login' button is at the bottom of the form.
